NEU permits teams to request not to play on 2 days. Please check with your team's parents to determine if you will have any conflicts.

Please indicate if your team cannot play for the entire day, or a part of the day (morning/afternoon). You may not request more than 2 days.

- | Date | Cannot Play | | |
|----------|-------------------------------|-------------------------------|---------------------------------|
| 1. _____ | <input type="radio"/> All Day | <input type="radio"/> Morning | <input type="radio"/> Afternoon |
| 2. _____ | <input type="radio"/> All Day | <input type="radio"/> Morning | <input type="radio"/> Afternoon |

NEU attempts to work around your requests, however, it may not be possible to meet every request due to the number of teams and the game dates/times available.

Any schedule changes that need to be made during the season must be received a **minimum of 10 days prior to the original game date**. Games will not be rescheduled if the request is received less than 10 days prior to the scheduled game date.

If you need to change a game/reschedule once schedules have been posted, you must contact the U8 Coordinator or Pony Coordinator as well as the opposing coach. A valid reason must be provided for a re-schedule. Valid reasons would include participating in a new tournament, shortage of players due to ACT tests etc. Missing a coach or key player would NOT be considered a valid reason. Rescheduling/canceling affects not only your team, but every other team and the referees. Please be considerate and notify the division Coordinator and the opposing coach as soon as possible.

NEU must pay referees for games when a team or teams fail to show without notifying the division Coordinator and the opposing coach. If you fail to show, your game WILL NOT be rescheduled.

It is your responsibility to contact the opposing coach if you want to reschedule a game BEFORE you contact the division Coordinator. Games will not be rescheduled until the Coordinator has heard from BOTH coaches.

I have read and understand the rescheduling guidelines for the club.
