Practice Field Request

Team Number: NEU _____

Age Group: _____

Fall 20__

Team Name _____

Spring

Coach's Name	E-Mail Address (Required)

Teams must apply for their practice field each season.

Please do not use a field on a day or at a time for which you do not have the permit.

NEU coaches must complete this form so NEU will have a record of where and when your team will practice. This information is needed to assure teams have permission to practice at the specified location and to assure insurance coverage is in effect.

You must indicate the day or days your team will practice, as well as the starting and ending times. Please remember more than one team may be assigned to a field at the same time. Coaches and teams are expected to share the goals. If other teams are scheduled at the same time, please work it out with the other coach so both teams get practice time using the goal or goals.

We do not have enough fields available for every team to have the field and goals for their entire practice.

Possible fields for use; depending on permits issued by the SM School District and city offices. We generally do not get permits for every night of the week.

Field Requested:

- Miege North (Old Mission)
 Prairie Elementary
 Rushton Elementary
 East Antioch Elementary
 Highlands Elementary
 Roeland Park City Park
 Mohawk Park (no teams older than U10)
 Broadmoor Park
 Westwood View Elem.
 Belinder Elementary

Other (not provided by NEU): _____

Who gave permission for you to practice at this location (if not NEU): _____

My team will practice 1 2 day(s) per week. (Teams wishing to practice more than 2 days per week will be asked to pay the additional costs for the field).

Day(s) your team will practice: If 2 days per week, list BOTH days for both choices. NEU tries to give teams their first choice, but this is not always possible. Please list a second choice of practice day(s).

First choice: Monday Tuesday Wednesday Thursday Friday

Second choice: Monday Tuesday Wednesday Thursday Friday

Practice time starts: _____ Practice time ends: _____

Pony teams are expected to practice in grassy areas, leaving the field and goals for older teams.

PLEASE ALSO REMEMBER SCHOOL FUNCTIONS HAVE PRIORITY FOR FIELD USAGE. The SMSD may pull a permit for a day in which the field is in use for school activities. Permits may also be pulled if the field is left littered with trash.

Please pick up any trash before you complete your practice.

NEU pays SMSD, St. Ann's, and Miege for the use of their fields. Please do not ask for admittance to school buildings to use restrooms, get a drink, etc. We have permits for the FIELD only.

NEU does not always get a permit for every day for every field.

If you need to change the day or time of your practice contact the Fields Manager (fieldpermits@neusoccer.org) before making the change.
